# Turnitin - Printing Originality Reports

You may be asked by your tutor(s) to print out the Turnitin Originality Report for your assignment. Follow the steps below to download and print your assignment complete with its originality report from the Turnitin web site. Please note that your tutor(s) need to allow students to see similarity scores when they set up the Turnitin assignment within Moodle for this to work. If in doubt please check with your tutor(s).

1. Click on the Turnitin assignment name within the Moodle course, for example:

2. You will then see the Turnitin assignment summary screen, an example of which is shown below. Click on the coloured block under the 'Similarity' column.
